

MISHA **BROTHERS**
COMPANY LIMITED

COMPANY **PROFILE**

Genuine Parts. Reliable Service. Better Performance.

Misha Brothers Company Limited is an automotive spare parts and vehicle service company committed to providing genuine, quality aftermarket spare parts and dependable automotive solutions to vehicle owners, garages, mechanics, fleet operators, dealerships and businesses.

We specialize in the supply, sourcing and distribution of automotive spare parts, covering engine and mechanical components, suspension and steering systems, braking systems, electrical and electronic parts, lighting, body parts, accessories and vehicle consumables.

Beyond spare parts supply, we also provide car and gearbox services, helping customers access reliable automotive solutions from parts sourcing through to vehicle maintenance and repair.

Our approach is built around quality, reliability, competitive pricing, customer convenience and professional service. Whether you require a single replacement component, bulk quantities for your garage or fleet, or a special-order part that is difficult to find, Misha Brothers Company Limited is positioned to serve your needs efficiently

MISHA BROTHERS
COMPANY LIMITED

ABOUT US

Misha Brothers Company Limited is an automotive solutions provider specializing in the supply and sourcing of automotive spare parts and related vehicle services.

We understand that vehicle downtime can affect individuals, businesses, transport operators and entire fleets. For this reason, we focus on making quality spare parts readily accessible while providing responsive sourcing and delivery solutions.

Our extensive product range enables customers to conveniently source multiple categories of vehicle parts from one trusted supplier. We serve both individual customers and business clients, including garages, mechanics, fleet owners, vehicle dealerships and automotive businesses.

Our services are supported by a customer-focused approach that prioritizes the right part, dependable quality, fair value and timely service.

Our Mission is to provide reliable automotive spare parts, sourcing solutions and vehicle services through quality products, professional service, competitive pricing and dependable customer support.

We aim to help vehicle owners and automotive businesses reduce downtime by providing efficient access to the parts and services they need.

Our Vision is To become a trusted and leading automotive spare parts and vehicle solutions company, recognized for quality products, reliable service and customer satisfaction.

We aspire to build a strong automotive supply network that makes quality spare parts and professional vehicle solutions accessible to customers across our market and beyond.

SPARE PARTS SOURCING & SPECIAL ORDERS

Requirement → Identification →
Sourcing → Verification → Supply →
Delivery

Customers can provide vehicle details, part information or specific requirements, and our team works to identify an appropriate sourcing solution.

This service is particularly useful for specialized, uncommon or hard-to-find parts.

SPARE PARTS DELIVERY

Our delivery service supports:

- Individual customers
- Garages
- Mechanics
- Fleet operators
- Dealerships
- Automotive businesses

Delivery arrangements can be coordinated according to the customer's location and order requirements.

CAR SERVICES

In addition to spare parts supply, Misha Brothers Company Limited also provides car services to support vehicle maintenance and repair requirements.

Our automotive service offering is designed to help customers maintain their vehicles, identify service requirements, and address mechanical issues.

Our car service solutions include:

- General vehicle servicing
- Routine maintenance
- Mechanical inspection
- Component replacement
- Maintenance-related repairs
- Vehicle support and related services

GEARBOX SERVICES

We also provide gearbox-related services to support customers experiencing transmission and gearbox maintenance or repair requirements.

Our gearbox service offering is focused on professional assessment, maintenance, and repair support.

Services may include:

- Gearbox inspection
- Gearbox maintenance
- Gearbox-related repairs
- Component replacement
- Gearbox service support
- Sourcing of gearbox-related parts

Where replacement components are required, our spare parts sourcing capability provides an added advantage.

WHO WE SERVE

Our solutions are designed for a wide range of automotive customers and businesses.

Vehicle Owners

Access quality replacement parts and vehicle service solutions for private and commercial vehicles.

Garages & Workshops

Reliable access to parts required for customer vehicle repairs and maintenance.

Fleet Owners

Bulk supply and ongoing parts support designed to help keep vehicle fleets operational.

Mechanics

Convenient sourcing of automotive components for different repair requirements.

Vehicle Dealerships

Reliable spare parts supply and sourcing support for dealership requirements.

Automotive Businesses

Wholesale and bulk supply solutions for businesses operating within the automotive sector.

WHY CHOOSE US

Our solutions are designed for a wide range of automotive customers and businesses.

Quality Products

We focus on supplying genuine and quality aftermarket spare parts suited to customer requirements.

Wide Product Range

Our diverse product categories make it easier to source multiple automotive requirements from one supplier.

Special-Order Sourcing

We assist customers in sourcing specific and hard-to-find automotive parts.

Bulk & Wholesale Supply

We provide solutions for customers and businesses requiring larger quantities of spare parts.

Convenient Delivery

We facilitate delivery of spare parts to customers and garages.

Automotive Service Capability

Our car and gearbox services complement our spare parts business.

Professional Customer Service

We aim to provide responsive, practical, and dependable support throughout the purchasing process.

Competitive Value

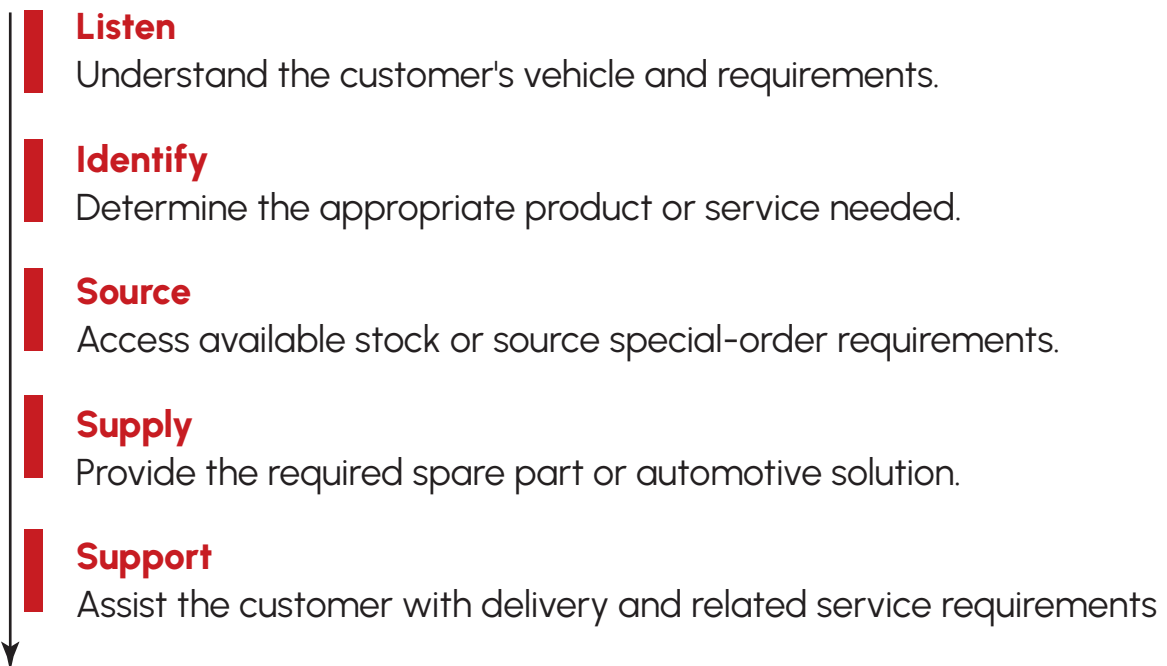

We strive to provide quality solutions at competitive market value.

OUR CUSTOMER SERVICE APPROACH

At Misha Brothers Company Limited, we believe that selling a spare part is only one part of the customer experience.

We aim to understand the customer's requirements, help identify the appropriate part, provide sourcing assistance where necessary, and facilitate delivery or service.

Our approach:

QUALITY & RELIABILITY

Vehicle owners depend on their vehicles for transportation, business, logistics, and everyday activities. We therefore recognize the importance of reliable automotive components.

Our commitment is to provide customers with quality spare parts and dependable service while helping them make informed purchasing decisions based on their specific requirements.

We continually work to strengthen our supplier and sourcing network to improve product availability and customer service.

OUR BUSINESS ADVANTAGE

Misha Brothers Company Limited brings together spare parts supply, sourcing, delivery, and vehicle services under one automotive solutions platform.

One Supplier. Multiple Automotive Solutions.

From everyday replacement parts to special-order components, bulk supply, and vehicle services, our integrated approach helps customers reduce the time and effort required to find automotive solutions.

OUR SUPPLY & SOURCING CAPABILITY

Our sourcing approach enables us to respond to different customer requirements, including commonly available parts and specialized components.

We work to establish reliable supply channels that support:

- Product availability
- Special-order sourcing
- Bulk requirements
- Wholesale orders
- Garage supply
- Fleet requirements
- Dealership requirements
- Customer-specific requests

Our objective is to make automotive parts sourcing simpler, more reliable, and more convenient.

PARTNERING WITH GARAGES, FLEETS & DEALERSHIPS

We welcome long-term relationships with automotive businesses and organizations that require consistent spare parts support.

Our business-to-business supply solutions can support organizations requiring:

- Recurring spare parts
- Bulk orders
- Wholesale supply
- Special-order sourcing
- Delivery services
- Maintenance-related parts
- Vehicle service support

We seek to build lasting partnerships based on trust, consistency, service, and value. Our business-to-business supply solutions can support organizations requiring:

OUR COMMITMENT

We are committed to continually improving our products, services, and customer experience.

As the automotive industry evolves, we aim to strengthen our product range, sourcing capabilities, and service offering to meet changing customer requirements.

Our commitment is simple:

Quality Parts. Reliable Service. Automotive Solutions You Can Count On
